Municipal News

Water and Sewer issues

With the recent extreme cold weather, we ask all residents to ensure their electrical heat trace has been turned on to prevent water or sewer lines from freezing. For more information, please visit: www.laronge.ca/winter-water-sewer-issues.

New Years Reminders

- You can renew your dog license now
Come down to the Town office, call Darryenne 306-425-2234 or drop her an email reception@laronge.ca
- Business licenses will be sent out soon
- Unpaid taxes from 2021 will have a 5% penalty added in January & July

Garbage Pick-Up Procedures

Please ensure your garbage container is out at the edge of your street with the wheels facing your property by 8:00 am on your collection day. Residents are asked to remove their garbage containers from the street as soon as possible after collection is completed to facilitate snow removal procedures. If you have snow built up along the street in front of your property, you will need to place your container a little closer to the road to give the garbage truck access to your garbage container.

We apologize for any confusion with garbage collection pick-up over the 2021 Christmas week and thank those that were affected for their patience during this time. For more information regarding your garbage collection, please visit: www.laronge.ca/services.

Safety Tips

Reminder to Residents

Check your furnace exhausts and ensure they are clear of ice and snow. Blocked exhausts can cause carbon monoxide poisoning.

News from the Mayor

Mayor Colin Ratushniak gave a year in summary interview with *larongeNOW*. The full article is linked to our website. A personal message to residents is also on our website. Please visit our website at www.laronge.ca/la-ronge-town-council.
