## Community News

The Parks and Recreation Department proudly welcomes a new Community Services Manager, Connor Tessier, to lead Arena Operations and Community Programming. Here is some info about Connor:

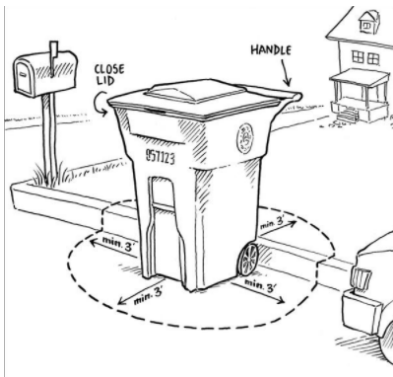

"I have a background in aquatics recreation, training and program development. Having served communities through both public and private sectors across Ontario, I am joining you in La Ronge with a broad perspective on the possibilities of recreation and community services. I have visited La Ronge throughout my life and always had a passion for the outdoors. I am looking forward to serving the Town and working together with you to provide the best service to our community!"- Connor Tessier

## Safety Tips

### Carbon Monoxide Poisoning

The LRRFD has attended a few Carbon Monoxide calls so they wanted to communicate to residents what the signs are for carbon monoxide poisoning. They are:

- Headaches
- Nausea
- Dizziness
- Breathlessness
- Collapse
- Loss of consciousness

To aid in prevention of carbon monoxide poisoning, make sure to have a carbon monoxide detector in your home and check it regularly with your smoke detector.
