

Program Grant Application Guidelines

We believe that no kid should be left on the sidelines and all should be given the opportunity to experience the positive benefits of organized sports. KidSport™ provides support to children in order to remove financial barriers that prevent them from playing organized sport.

How can KidSport™ help?

- KidSport™ can provide a Program Grant to support sport programs offered through a Sport Organization, Youth Agency or Community Association that maximizes participation opportunities for eligible KidSport™ kids. Preference will be given to sport activities that are new to the community as well as programs that will be continued in years to follow.

What programs are eligible to receive a KidSport™ grant?

- The use of KidSport™ funds must be compatible with the goals and objectives of KidSport™ with regards to servicing youth from financially disadvantaged families and up to the age of 18 being inclusive of financial support.
- Generally accepted sport activities are those recognized and/or sanctioned by the member organizations of Sask Sport Inc. For a full listing of eligible sport activities see www.kidsport.ca/sk
- Support is intended for program participants who are being introduced into a sustained organized sport led by a qualified coach/instructor.

What does a KidSport™ program grant cover?

- KidSport™ funds can be used to offset costs associated with program delivery such as facility rental, equipment, insurance, coaches and officials or uniforms.
- Program grant support of \$5,000 or less can be adjudicated by KidSport™ Community Chapters if applicable.
- Applications are subject to the availability of funds.
- Costs associated with dance, facility construction or upgrades, travel to tournaments, play-offs, championships, etc. are not eligible expenses.

What is the deadline to apply?

- Applications will be accepted on a first come-first serve basis or as determined by the Community Chapter deadline.
- Applications must be submitted and approved before the start date of the activity.

What are the funding arrangements?

- KidSport™ issues funds to the community sport leagues and associations on behalf of the program applicant. Allow approximately 30 days for notification of application status, following Community Chapter adjudication.

How to apply to KidSport™?

- Applications must be submitted on the official designated KidSport™ Program Grant Application Form. This form clearly identifies contact information, program information, amount of support requested and budget information.
